

AUGUST 2024

KMAP GENERAL BULLETIN 24157

2024 Physician Rate Increase

Effective with dates of service on and after August 1, 2024, a 9% rate increase will be applied to physician Medicaid rates as indicated in the attached [Service Code List](#).

With the 9% rate increase, the following rate adjustments were made:

- If the increased rate surpasses the 2024 Medicare rate, the Medicaid rate will be set at 100% of the Medicare rate.
- If the increased rate is below 65% of the 2024 Medicare rate, the Medicaid rate will be set at 65% of the Medicare rate.

The rates noted in this bulletin may change in the future. Providers should check the Kansas Medical Assistance Program (KMAP) website for the most up-to-date rates.

Note: The effective date of the policy is August 1, 2024. The implementation of State policy by the KanCare Managed Care Organizations (MCOs) may vary from the date noted in the KMAP bulletins. The KanCare Open Claims Resolution Log on the KMAP Bulletins page documents the MCO system status for policy implementation and any associated reprocessing completion dates once the policy is implemented.
